THIS IS UNEVALUATED INFORMATION

25X1

1. Marine radio equipment delivered by VEB Funkwerk Koepenick RFT to VEB Fernmelde-Anlagenbau-Rostock RFT during the period from 29 November to 20 December 1953 included the following items:

For Ship	Number of Item	Kind of Gear
SESTRORETSK	1	Revolution indicator system
ADMIRAL NAKHIMOV	1	Spare parts box for revolution indicator system
VOLOGDA	1	Revolution indicator system with spare parts box
	1	Rudder indicator system
SOVIETSKI SOYUZ	<b>.</b>	Various spare parts boxes (to be sent to RFT construction section at the Warnow-Yard)
VORONEZ H	1	Echo-sounder installation
	1	Revolution indicator system
	1	Rudder indicator system
Boat No 2006	3	3 lighting units for shipboard and engine-room installations (to be dispatched to the RFT assembly section at the Volkswerft: Strelsund)
Boats No 2009 through 2011	each 2	Echo-sounder oscillators
Boats No 2008 through 2012	each 1	Spare parts box for bridge and engine-room installations

For Ship	Number of Item	Find of Gear
Boat 1	2	Instrument panels for speedometer plant
65-m passenger ships	each 1	Spare parts box for revolution indicator system
65-m passenger ship	1	Spare parts box for engine-room telegraph system
65-m passenger ships	5	Various spare parts boxes and 180 different tubes.
95-m passenger ship	1	Drifter equipment with 8 insertions ( to be dispatched to the RFT construction section at the Mathias Thesen Shiward in Wismar). One spare parts box for revolution indicator system.
95-m passenger ship	1	Spare parts box for revolution indicator system
95-m passenger ship	1	Spare parts box for engine-room telegraph plant
3,000 - ton freighters	each l	25X1 Spare parts box for revolution indicator system
Freighters I and II	each 1	Spare parts box for electric ship mains
Travler 2	2	Instrument panels for 25X1 speedometer system
Refrigerated vessel No l	1	Oscillation for echo-sounder system (to be dispatched to RFT construction section)
15-ton floating cranes	each 1	Magnet coil insertion part for spare parts box for engine-room telegraph system
15-ton floating cranes	each 1	Spare parts box for rudder indicator system 25X1
50-ton floating crane	each 1	Spare parts box for electric ship mains
	each 1	Main fuse box for electric ship mains
	each 1	Rotary transmitter for spare parts box for rudder indicator system
50-ton floating crane	1	Main fuse box for electric ship mains 25X1
	1	Spare parts box for rudder indicator system
